What do I "get" or "get out of" when I use challenging behavior?

	BEHAVIOR		
What happens just before the behavior?	Describe exactly what the behavior looks like.	What do adults/siblings do when problem behavior occurs?	Why might he/she be doing this?
EXAMPLE:			To get:
He is told to go to the bathroom to take a bath.	He screams, runs to the other end of the house and drops to the ground kicking.	Mom/Dad chase after him. When he drops and kicks we back off and wait him out.	To get out of: taking a bath until he is ready (delays going to take a bath)
